

Congratulations to the Werribee Islamic Centre.

Since it was founded 11 years ago, the Werribee Islamic Centre has been one of the pillars of the community. The new complex is a reflection of the hard work many local members of the community have strived to achieve. The WIC has gone a long way in creating a better understanding, in educating, in sharing and celebrating a vibrant culture. On behalf of the Australian Indian Business Council. I wish to congratulate everyone who has worked tirelessly to make this project into a reality from a dream of our local community.

The enthusiasm that WIC has demonstrated, for the people of the west and all members of the community has cemented the value of what it has tried to achieve in the last 11 years. I would like to thank Wyndham's Muslim community for providing such an important piece of community infrastructure for the region.
