

**MESSAGE FROM THE PRIME MINISTER
OF AUSTRALIA**

The Hon. Julia Gillard MP

CONGRATULATIONS TO THE WERRIBEE ISLAMIC CENTRE

Congratulations to the Werribee Islamic Centre and everyone involved in turning the plans for a new complex into a reality.

It is remarkable that only 11 years ago, community leaders from different ethnic backgrounds united in their faith and formed the Werribee Islamic Centre.

In that short time you have been a shining example of the great things that can be achieved when communities work together. From your incredible fundraising efforts for charities like the Royal Children's Hospital, to the work you do to promote understanding and interaction in the community – you have helped to build a vibrant community spirit.

Your new complex in Tarneit will be a place where the growing Islamic community in Wyndham can come to pray, to be active and to celebrate.

Congratulations once again for all your hard work and outstanding contribution to the west.
